If you are staying at another hotel on Sunday, and then moving over to the Sheraton for the remainder of your time at the conference, please let us know by emailing your preferred email contact to vecapoffice@gmail.com. We are asking the Sheraton to add more rooms to our block but will not know if this is an option until Saturday, September 14.

- *We will send out one email notification on Saturday, September 14 to notify if additional rooms are, or are not, available.*

- If we can add rooms, they will have to be booked by the individual and will be available on a first come/first serve basis.
- We cannot guarantee a room will become available at the Sheraton for Sunday night.
- It will be the individual's responsibility to cancel their existing Sunday night room reservation at the hotel where they booked.

If you end up staying at an off-property hotel on Sunday night, please know that we can store your luggage on Monday during the Forum until you are able to get into your reserved room at the Sheraton on Monday.

We look forward to seeing you at the Forum!
