

# VECAP Educational Webinar (VEW) September Presentation

VECAP Educational Webinars (VEW) are presentations designed to provide **VECAP members** with information related to the field of vocational evaluation and career assessments to enhance the services to the clients and the field.

<b>PRESENTATION</b>	Understanding Reactive Attachment Disorder
<b>WHEN</b>	Thursday, <u>September 19, 2024</u> 3:00 pm to 4:30 pm ET/2:00 pm to 3:30 pm CT
<b>PRESENTERS (Name and title of presenters)</b>	Joanna E Hughes, LPS

**\*1.5 CEUs will be available for attending live session\***

**VEWs are a Member benefit and available to VECAP and CAVEWAS Members ONLY**

## Brief Description

This presentation will introduce vocational evaluators and career assessment personnel to the mentation and limitations of clients who have Reactive Attachment Disorder in order to better navigate and assign appropriate interventions.

## Objectives

Participants will be able to:

1. Define and identify behaviors associated with Reactive Attachment Disorder
2. Identify barriers to successful rehabilitation.
3. Safety measures and positive interventions.
